

2 kids grow up in an orphanage. Looking at the current world, they think to themselves that the world is not a good place, everyone is bad and do not care about anything else except themselves.

This motivates the boys to do bad deeds to people without caring about their emotions.

They steal fruits, beat up old people to snatch money, plan, and steal shops at night etc.

1 of the boys is the mastermind who plans everything, the other is the muscle who executes everything.

They grow up watching sins and violence around them. They start to kill people for their pleasure. They kill people who speak to them in a bad way. They kill people who do not do as the boys say.

When they reach the age of 18, they get to know that there is something called as the underworld and a guy named Palani was ruling it. Periyavaran was his right hand.

One day Periyavaran looks at the 2 boys beating 8 people. They kill 4 of them. Impressed by their courage and skills, Periyavaran offers boys to work with him rather than do petty things.

The boys knowing who Periyavaran is agree to this and swear to work under Periyavaran for Palani.

The boys grow up to become men. Killing anyone that Periyavaran ordered.

After a few years Periyavaran was tired of working under Palani. So, one day he decides to end the life of Palani so that he can take control of everything.

Out of the 2 boys, one was very strong and had the mighty courage to kill the Lord Palani. Periyavaran plans the murder of Palani and orders one of the boys to kill him without the knowledge of the other boy.

Periyavan liked the boy with strength and hated the other boy because he was weak. He says “If Palani dies, then I will become the king and you will become my right hand. We will rule this kingdom together”

Hearing this the boy agrees to kill Palani. All goes as per their plan and the boy will successfully kills Palani. Since, Palani was a bigshot, his death was thoroughly investigated by the police.

Fearing that he will get caught, Periyavaran asks the other boy, his least favorite one, to go to police and surrender. Periyavaran promises the boy that he will bail him out in 1 week.

Believing him, the boy surrenders. 1 week turns to 1 month. Month turns to Year. 1 Year turns to 5 years. But no one comes to bail him out.

After 8 years in prison. The boy comes out of the prison and plans a revenge against Periyavaran.

The boy makes friends with a con woman and sets her up to Periyavaran. He sends her to a Pub where Periyavaran spends his night every day. She makes Periyavaran take a different route where the boy was waiting to get his hands on Periyavaran.

The boy then kills Periyavaran.

The boy who was sent to prison is Sebastian and the boy with the muscle is Ravana.

Periyavaran had told Ravana that Sebastian had planned to kill him and Ravana so that he can become the lord and Periyavaran had told Sebastian that it was Ravana who wanted Sebastian to stay in prison and not to come out.

After killing Periyavaran Sebastian then decides to kill Ravana.

And Ravana was waiting for Sebastian to come out to kill him.
